**APPLICANT'S RESPONSE TO INTERVIEW SUMMARY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant's attorney spoke with Examiner Saadat on July 21. Applicant's attorney and the Examiner discussed Applicant's previously faxed proposed changes. The Examiner agreed with Applicant's attorney that the proposed changes (adding the determination of a starting and ending time in order to determine an elapsed time for the educational session) clarified the differences between the claimed invention and the Richter reference which requires ongoing monitoring of the educational session and that the Examiner would no longer be able to assert the Richter reference. The Examiner requested a formal response be filed. The Examiner indicated that he would consider the matter on receipt of the Amendment.
